Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

- Provide a high standard of medical care
- Be committed to our patients needs
- Act with integrity and complete confidentiality
- Be courteous, approachable, friendly, and accommodating
- Ensure safe and effective services and environment
- Improve as a patient centered service through decision making and communication
- To maintain our motivated and skilled work teams
- Continue to improve our healthcare services through monitoring and auditing
- Maintain high quality of care through continuous learning and training
- To guide our employees in accordance with diversity and equality
- To ensure effective and robust information governance systems
- Treat all patients and staff with dignity, honesty, and respect

Our purpose is to provide patients registered with the practice with personal healthcare of high quality and to seek continuous improvement on the health status of the practice population overall. We aim to achieve this by developing and maintaining a practice that is responsive to people's needs and expectations and which reflects whenever possible the latest developments in primary care.

				<input checked="" type="checkbox"/>
The whole population	<input type="checkbox"/>	Other (please specify below)		<input type="checkbox"/>

The registered activities and service types have been agreed by Fairbrook Medical Centre's Practice Manager and partners in accordance with CQC guidance. Services are described under registered activity and Service Type.

The regulated activities provided by Fairbrook Medical Centre under CQC are:

- Routine medical checks and general medical services
NHS relevant prescriptions and medications or a private prescription can be issued.
- Immunisations, e.g. childhood immunisations
- Foreign travel and immunisation
- Weight loss and Dietician clinic lifestyle management - we have nurses who help support and advise patients who want to lose weight and maintain a healthier lifestyle. We also have a dietician who specifically advises diabetic patients.
- Wound Care including Ulcer Management
- Smoking Cessation - Any patient who is a smoker and ready to stop smoking will be seen by one of our trained advisers
- The Surgery has facilities for spirometry / lung function testing with our trained respiratory nurse who runs weekly Asthma/COPD clinics.
- Diabetic clinic – The surgery operates a diabetes clinic each week to provide ongoing care for our diabetic patients and run by our ANP and HCA with a lead GP.
- Family planning advice – Our family planning is run by both GP and practice nurse.
- Flu vaccination – The surgery offers the flu vaccine at a certain time each year to protect the over 65's and under 65 at risk patients against the flu virus.
- Phlebotomy – is offered 4 morning per week by our HCA
- Minor Operations – these are carried out by our trained doctors
- Midwifery – Barnet community midwives. They supervise antenatal care, undertake deliveries in hospital and at home where appropriate.
- Ear syringing - The Surgery has facilities for ear syringing.
- Well person checks – These can be carried out with any practice nurse.
- ECG monitoring - we have a fully functioning ECG machine in the practice.
- Cervical screening - our nurses are qualified to carry out cervical screening and tests in the form of cervical smears.
- Our Lead Nurse (NP), ANP, Paramedic, First Contact Physio and clinical Pharmacist are part of our extended clinical team.
- Our Patient Participation Group is open to all our patients
- Our care coordinators and social prescribers are an integral part of our team
- Herts Health run our extended access service
- We collaborate and work at scale with our PCN – Hertsfive

The information below is for manager number:	1	of a total of:	1	Managers working for the provider shown in part 1
--	---	----------------	---	---

1. Manager's full name	Dr Catherine Page
-------------------------------	-------------------

2. Manager's contact details

Business address	Fairbrook Medical Centre
Town/city	Borehamwood
County	Hertfordshire
Post code	WD61PR
Business telephone	02089537666
Manager's email address¹
